PROMOTION TO OVER 15,000 AVIATION PROFESSIONALS
In addition to our existing robust content offering, we are now presenting the opportunity to co-create a sponsored podcast with Airlines.

Sponsored podcasts are a great way to align yourself with the Airlines brand whilst building rapport and brand exposure in the process. They are a creative, flexible and cost-effective way to deliver your content using authentic storytelling rather than a hard sell and to be seen as an authority on a topical area of business interest.

The trust you gain from decision makers within the aviation industry can then lead to your specific objective being met.

The 20 minute podcast is hosted by the editor of Airlines, joined by a sponsor representative, and a relevant speaker(s) from the industry.

There are two packages to choose from when sponsoring a Airlines podcast, both of which utilise the magazine’s various channels for promotion.

**Airlines. podcast sponsorship package – brand association:**
- Sponsor receives branding on all podcast promotion
- Announcement as sponsor at the opening and close of podcast
- Sponsor message stating the sponsor’s USPs at opening of podcast

**£3,060**

**Airlines. podcast sponsorship package – brand association and content:**
- All of the brand association package, plus the ability to shape content and participate in the podcast
- Airlines.’s editor will agree the theme and content plan with the sponsor
- Sponsor representative included in podcast content as one of three or four participants – editor of Airlines, joined by a sponsor representative, and a relevant speaker(s) from the industry.
